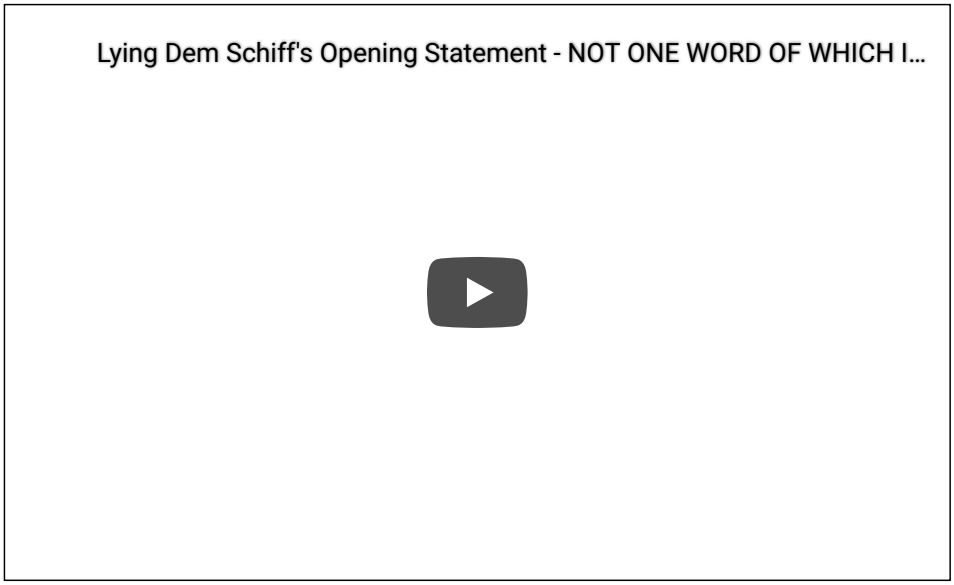
Rep. Adam Schiff Linked to Prominent Ukrainian Arms Dealer!

Democrat Rep. Adam Schiff is connected to a Ukrainian arms dealer. Is this why he's willing to lie in front of the nation when accusing President Trump of crimes?

Adam Schiff is arguably the biggest liar in Congress…. ever. He now leads the House Intelligence Committee and this past week oversaw the Intel Committee where he attempted to align President Trump with some 'trumped' up allegations concerning his phone call with the President of the Ukraine. Schiff lied in his opening remarks and claimed numerous falsehoods about the President's call in spite of the transcript being provided the day before.

His entire description of the President's call was a lie – we have the transcript and this was not in it!



Now we know why Schiff is lying – he's connected with a Ukrainian Arms Dealer!

In 2013 Ukrainian Igor Pasternak held two different fund raisers for Schiff asking for contributions between $1,000 and $2,500 –

July 18 2013

Pasternack has also been connected to George Soros –

> — DEPLORABLE MEDIA (@correctthemedia) March 20, 2017

Pasternak was reportedly in and around the Ukraine at the same time that Vice President Joe Biden had his son appointed to the Board of the Ukraine's largest oil and gas producer –

> Pasternak, who was raised and educated in Ukraine before immigrating to the United States, is a passionate promoter of Ukrainian culture and business. He has been active in both Los Angeles and Washington, D.C. to support increased bilateral ties between the two countries and has been especially active building awareness of Ukraine's strategic economic importance among Members of Congress. Since political protests broke out across Ukraine in late 2013, Pasternak has worked to personally inform and educate Members of Congress about the geostrategic importance of Ukraine to European and US security. In late February 2014, during the final hours of the Yanukovych Presidency, Pasternak travelled to Kyiv for diplomatic reasons in response to the outbreak of violence that had started less than 48 hours earlier, and to support peaceful transitions amid the rapid changes now taking place across Ukraine.

Pasternak is an arms dealer. He has sold arms in places like Syria –

Schiff was reportedly scheduled to be in the Ukraine just last month with the Atlantic Counsel –

> My, my, my… guess what country Rep. #AdamSchiff @RepAdamSchiff travelled to last month! Hmmmm the whistle blower report came in August and guess who was in #Ukraine from 8/24/2019 to 8/31/2019 ✈□□□ pic.twitter.com/JNUaSktL2s

This is also the same time that Schiff tweeted that information on the Ukraine –

> Wait a minute. Check this out: Schiff tweeted this exact same Trump-Ukraine "collusion" narrative a month ago. Hmm … Exactly how long have Schiffty-Schiff and Dems been working with this "whistleblower"? Smelling more and more like prefabrication https://t.co/cRXi222Zwi

The earlier tweet was at the exact same time Schiff was reportedly scheduled to be in the Ukraine –

Nancy Pelosi is neck deep in Ukraine politics. Her legislative aide, Ivanna Voronovych, is from the Ukraine and is connected to the Ukrainian Embassy, the Ukrainian military, the Ukrainian government and Ukrainian party life.

Young Ivanna Voronovych was a party girl in the Ukraine and somehow managed to make her way into a position as a Legislative Aide to Nancy Pelosi –

Young Voronovych started her career working at the US Embassy in the Ukraine in Kiev. She worked for Roman Woronowycz, the Kiev Bureau Chief, who is connected to Nancy Pelosi. As a matter of fact, he is a fan of Pelosi's. Woronowycz is well connected with with the US Congress as can be seen from the picture below where he was given a tour of the Capital by Voronovych before reportedly meeting up with Pelosi, Schumer and others. He once posted, "Tell Nancy to keep up the good work!" (What is he referring to here?)

Voronovych's parents are well connected. Her mom worked with the Ukrainian Army, and even received the Ukraine Order of Merit for military and political activity. Yoronovych's father worked in the Ukrainian Foreign Service and he's also connected to the Ukrainian government.

Voronovych is no friend of President Trump – distributing anti-Trump propaganda about the Trump balloon in London –

There is no Ivanna Voronovych listed on Pelosi's staff. Fake news?

It's being scrubbed.

A DDG search for her and Pelosi brought this:

Ivanna Voronovych | Facebook

https://www.facebook.com/ivanna.voronovych

Office of House Minority Leader, Nancy **Pelosi** Legislative Intern · January 2018 to June 2018 · Washington, District of Columbia USAID Ukraine - USAID Україна

But the page is gone:

So just an intern for a couple months. Not an influential position. Yep- fake news.

> Ivanna has been following Speaker Pelosi for a long time. **She often posts pictures and stories of Pelosi on her social media**.

Odd that there are no posts after 2012. Where are all her "stories"?

Spies like to have "not influential" positions, during the early days of WWII the Gestapo ran a spy operation on a cruise ship that was actually commanded by one of the waiters who was the Gestapo agent on board.

And the scrubbing is like an admission that there is something to hide.
